

WHO WE ARE

The mission of Chicago for Chicagoans (CFC) is simple: to educate residents about the places they inhabit, creating lifelong bonds and a deeper understanding between people and their spaces. We believe in accessibility of information, and conduct all programming for free with a suggested donation. We collaborate with residents and empower them to share the history of their city and create events that are integrated with, and in the service of, the areas they explore through walking tours and lectures.

McKinley Park Tour, June 2018.

Chinatown Tour, October 2017.

West Town Tour, June 2019.
